

PC1013

Puro Single PC1013

Puro is a boldly minimalistic variation on atmospheric pendent lights. Inspiration for the collection and its name come from the Spanish word for “cigar”, which also means “pure” and is a reference to the composition’s clean lines. The original design in the Puro collection creates an intriguing interplay between horizontal and vertical luminous cigar tubes levitating in space above simple bell lights. The diffused glow of the tubes combines with that of the bells to elicit a dynamic ambience, while the alternating gloss and matte finishes provide a degree of provocation. The first variations to appear were a bell light suspended beneath a single vertical tube and dual bell lights suspended beneath a single horizontal tube. Multiple tubes can be combined to create amazing installations, such as a screen to divide space and evoke an intimate atmosphere bordering on scenography. The endless variability of the Puro collection gives rise to new lighting objects for any interior. The Puro family — Solo, Single, Spotlight, Eclectic, Contour, Sparkle, and Floor — is available in various sizes in either matte triplex opal or smoke grey glass. Puro have special integrated connectors developed by BROKIS for improved variability and ease of installation and cleaning.
