

SLA-20-P-BLK-27-010-230

Available as a single pendant or multiple pendants on one canopy (P20.3, P20.5), the P20 group is field-height adjustable and like the other Slab lights is enveloped in 100% natural industrial grade Merino wool felt. The SLAB series was designed to aid in reducing the acoustic ambient noise of an environment by absorbing sound waves, making it perfect for a wide range of applications and spaces.
